Varaha Avatar
The Boar Incarnation

Varaha Avatar is the 3rd amongst the Dashavatar.

The four Brahma Kumaras cursed Jaya and Vijaya, the gatekeepers of Lord Vishnu to be born as demons.

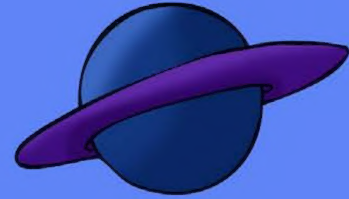

Hiranyaksha and Hiranyakashipu drove all the demigods from heaven, and seized their throne.

Lord Brahma learnt that the demon Hiranyaksha, had stolen mother Earth and hid her at the bottom of the cosmic ocean.

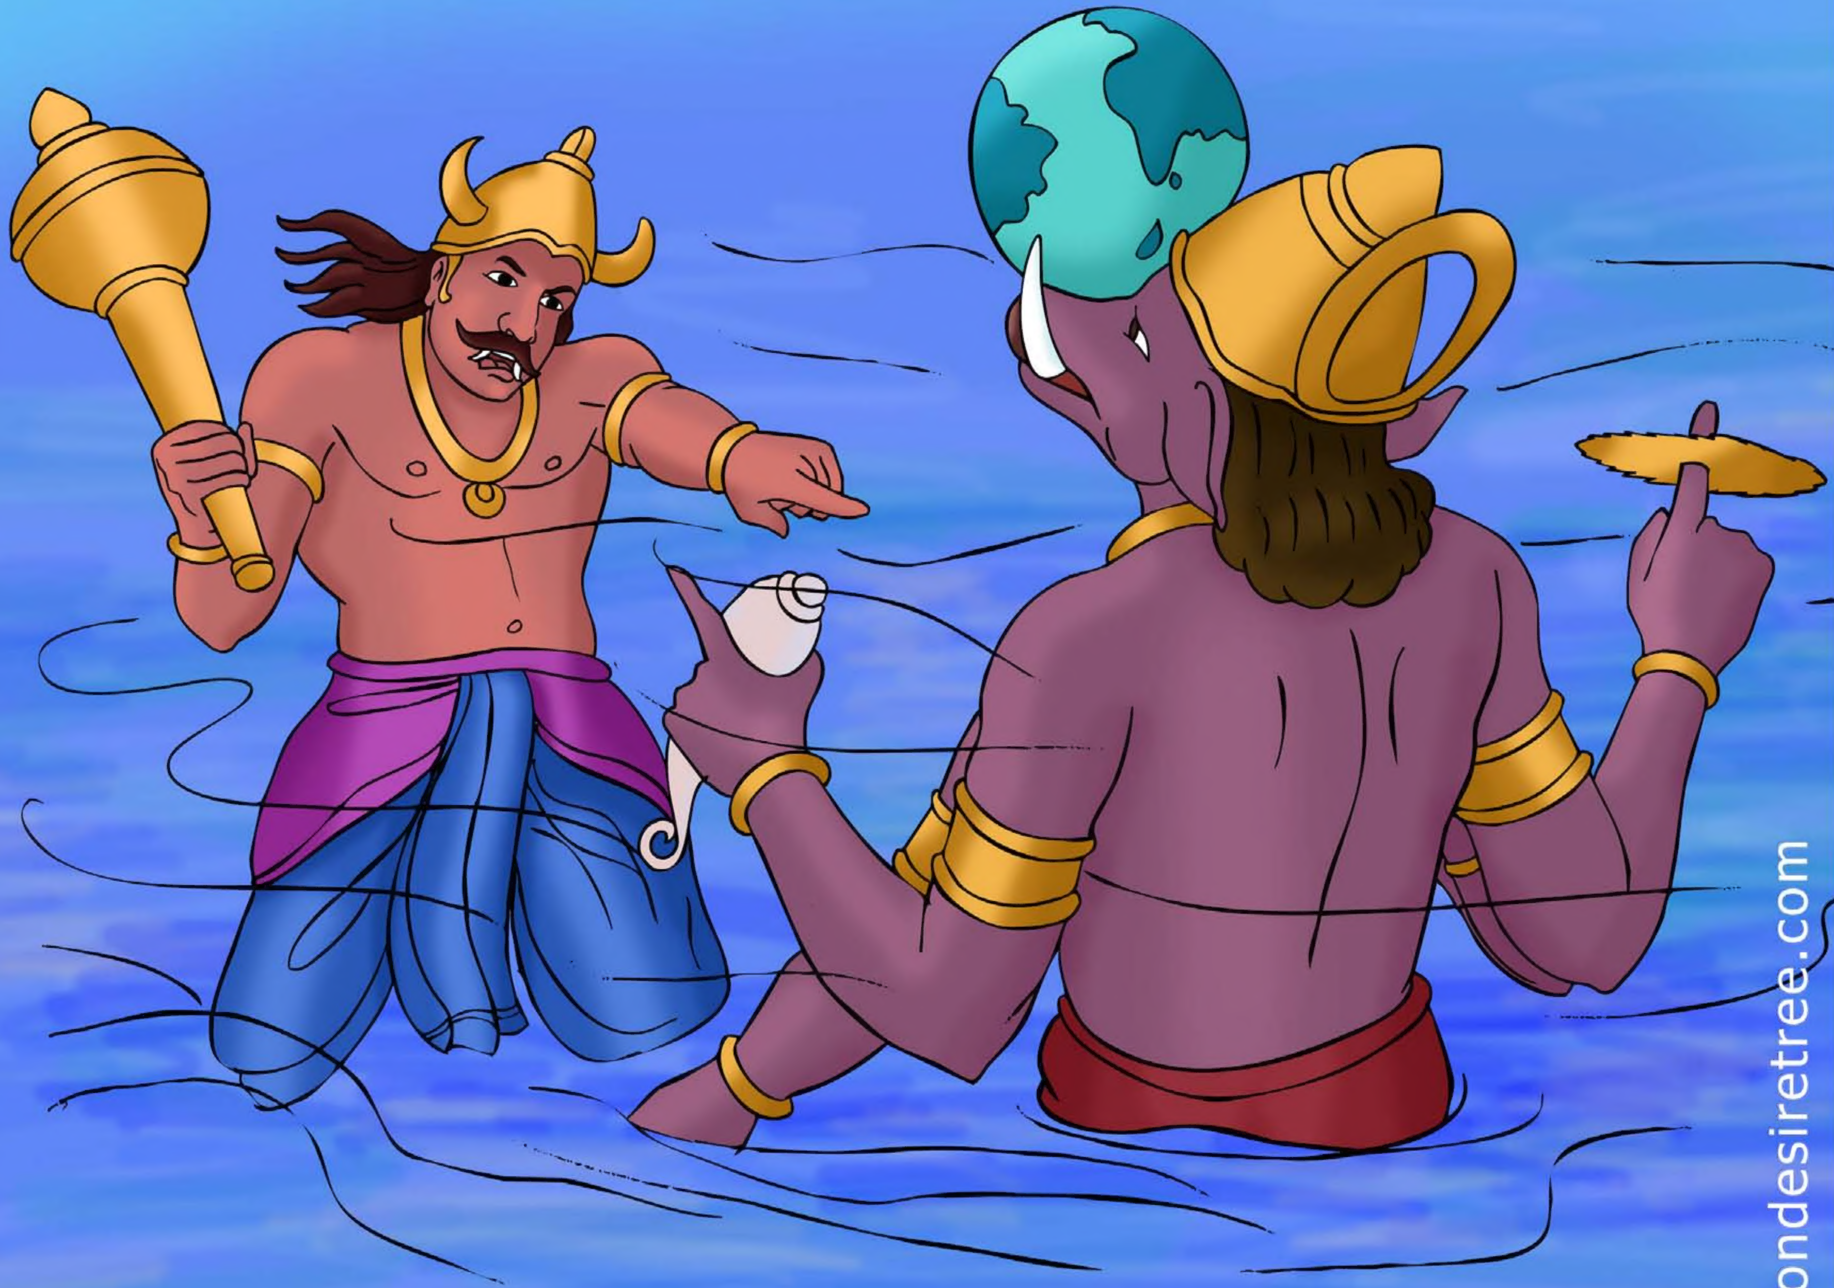

Lord Brahma prayed to Lord Vishnu to come to their rescue and redeem Mother Earth. Suddenly from one of Brahma's nostrils appeared, Varahadev, the Boar incarnation of the supreme Lord.

He hurled insults at Varahadev and challenged Him to a duel.

Their fight continued for a long time before Varahadev overpowered the demon and finally killed him.

Varahadev roared in victory, having safely returned Earth for the next Yuga.
